TransDoctor Cable List
Sales & Service Tel. (201) 674-5003
Technician@autodiagnosicsandpublishing.com

Specialty items software modules and connectors can also be ordered. If you need a custom made transmission connector we have the manufacturing capabilities for you. These items have to be pre-paid and may take up to 4 weeks for delivery. There is also tooling fee for connectors not part of the list below. The following information will be needed for custom made connectors: Transmission type desired, number of connector pins, description of trans-connector or photo, year, make and model applicable to the particular trans-type.

TransDoctor Automatic Transmission Cable List:

All TransDoctor cables, if purchased separately, are \$125.00 to \$285.00 each. If purchased with their kits, the price is greatly reduced. See the pricing list for our cable kits below.
